COMPANY OVERVIEW

ADi is an interior design firm specializing in commercial and residential spaces. Our work included office spaces, residences, family homes. We take a creative approach to design and build with our ingenious architects and experienced fabrication technicians who can make a difference from others. We work with renowned material manufacturers to maintain our excellence. The quality of our design is uncompromising

OUR VISION

- The goal of our company is to serve our clients' building needs as a one-stop-shop.
- We offer innovative solutions to meet clients' needs.
- We provide bespoke solutions for both the form and interior of the building.

At Amara, we employ dedicated, highly trained professionals with a wealth of experience across the range of services enabling us to meet and exceed client expectations. Having completed more than 132+ projects, we have the necessary skills and knowl edge to provide solutions to any project.

OUR SERVICES

We provide our time tested expert services on

- Residential Interior Designing.
- Commercial Interior Designing.
- Corporate Interior Designing.
- Architectural Services

Infrastructure

With our success in interior design & turnkey contracting, we offer a unique combination of interior and architectural design leading to the client's satisfaction which is our core principle for becoming a successful company. Our designs & implementations are as important as the audience we serve. Our goal is to create an environment that fosters gathering, creates energy, and enhances well-being. This has led us to become one of the leading interior design & turnkey contracting companies in the country. On this path, below are the clients mentioned who have a belief in us.

Our Team Members

Our interior designers and contractors work with the sole objective of customer satisfaction in mind. In order to tailor-make the design needs of our clients, our designing and contracting teams work closely with our clients to understand their budget and time frame. In this field, we stand out due to our efficiency, reliable consultancy, sound business policies, and adherence to strict deadlines. With a strong team of qualified administrative & technical personnel, as well as skilled & unskilled workers, we guarantee prompt response and flexible service to meet the needs and satisfaction of our clients

WORKING PROCESS

Initial Consultation & Site Visit

1

- Understand client needs, lifestyle, and preferences
- Discuss budget, timeline, and design goals
- Visit site to take measurements and photos
- Identify any challenges or special requirements

Concept Development

2

- Prepare mood boards, sketches, and style inspirations
- Choose initial color palette, materials, and themes
- Develop layout and space planning
- Share concept with client for feedback and approval

Design Finalization

3

- Create detailed 2D working drawings (floor plan, ceiling, electrical, plumbing, furniture layout)
- Provide 3D visualizations for better understanding
- Finalize materials, finishes, lighting, and furniture selection
- Get client sign-off on the final design package

Execution & Supervision

4

- Coordinate with contractors and vendors
- Start civil and interior construction work as per design
- Regular site visits for quality control and progress tracking
- Resolve on-site challenges and ensure design accuracy

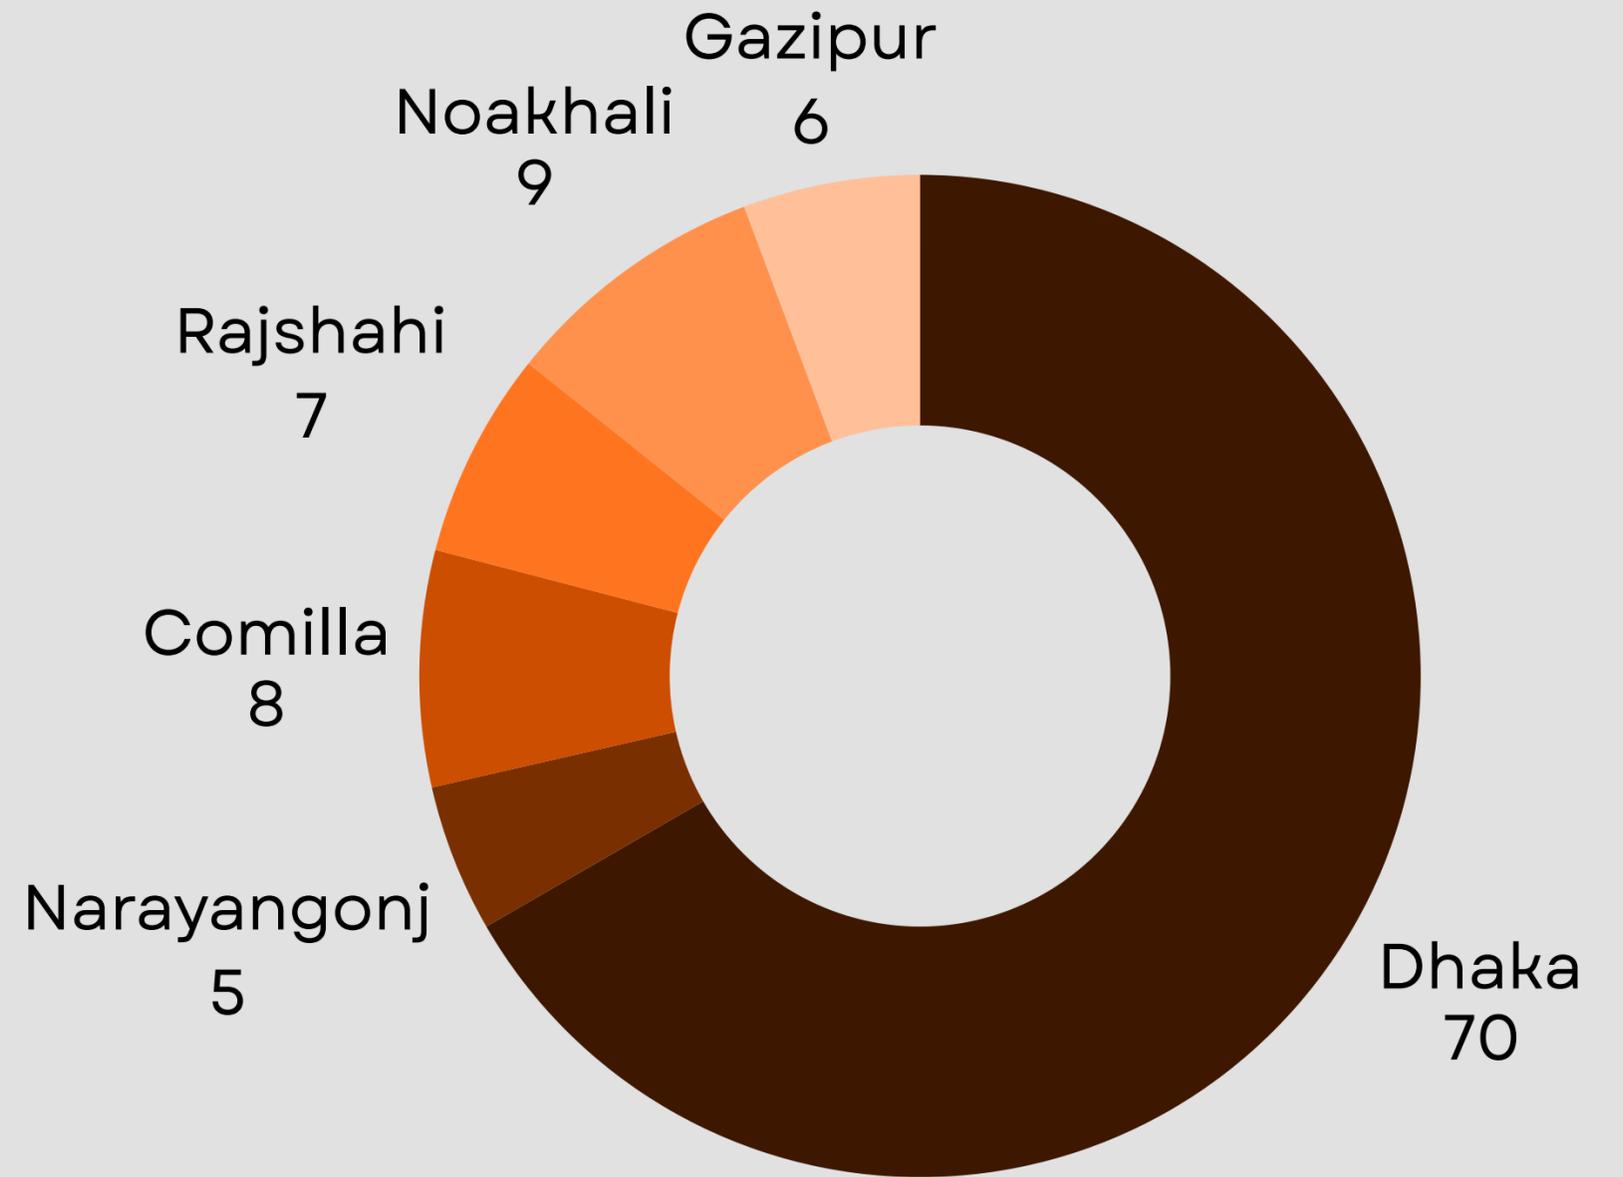

Handover & Aftercare

5

- Final site cleanup and styling
- Walkthrough with client for inspection
- Make final adjustments if needed
- Provide care instructions and after-service support

Office Interior Design

Project Director Room,
Matarbari Project, Roads & Highways.

A modern and elegant workspace designed with warm wooden textures, soft lighting, and clean lines. The space includes a media wall for real-time updates, a stylish meeting area, and large windows that bring in natural light —balancing professionalism with comfort.

Office Interior Design

Client: Roads & Highways

Flat Size: 2,360 sft | Duration: 3 Months

A well-organized office layout featuring a mix of executive rooms, workstations, meeting zones, and reception lounge. The plan uses space efficiently, integrating natural flow with modern aesthetics—ideal for boosting productivity and team collaboration.

Studio Interior Design

Client: Mrs. Silvi Mahmud Studio by Jazz
Flat Size: 3550 sft | Duration: 3 Months

A bold and luxurious fashion studio interior blending modern elegance with artistic flair. Rich textures, statement lighting, and arched details create a dramatic yet welcoming space perfect for showcasing premium designer wear.

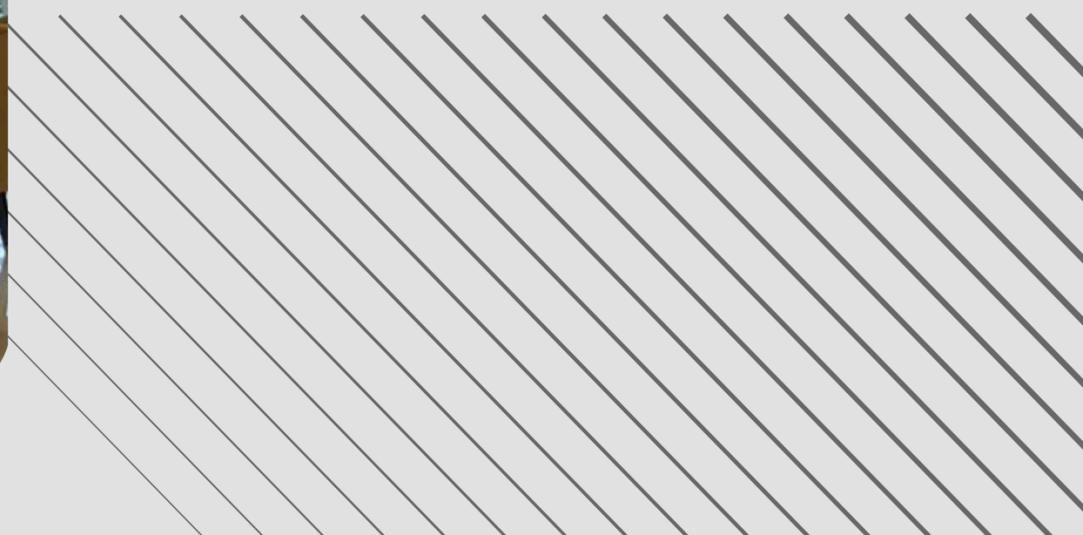

Purples By Jazz

Studio Interior Design

Client: Mrs Silvi Mahmud Da Purples by Jazz
Flat Size: 3550 sft | Duration: 3 Months

A bold and luxurious fashion studio interior blending modern elegance with artistic flair. Rich textures, statement lighting, and arched details create a dramatic yet welcoming space perfect for showcasing premium designer wear.

AMARA Design & interiors

Flat Interior Design

Client: Mr Saifur Rahman's

Flat Flat Size: 1450 sft Project | Duration: 3 Months

A contemporary bedroom interior showcasing a distinctive accent wall with a grey and beige chevron pattern, complemented by a padded headboard. The room features extensive white built-in cabinetry with integrated open shelves for display, and a modern ceiling fan with ambient lighting, creating a sleek and functional living space.

Hotel Exterior Design

Hotel Fountain, 6 Storey Building at Nikunju, Dhaka

This Project presents the striking nighttime exterior of a 6-storey hotel building, "Hotel Fountain," located in Nikunju, Dhaka. The modern facade is illuminated with warm lights, highlighting its architectural features and the rooftop area, which appears to house an inviting lounge or restaurant space. The ground floor also shows "Uttara Bank Limited," indicating a mixed-use building.

Exterior Design

DB Head Quatar,Dhaka

This Project showcases the impressive exterior design of the "DB Head Quarter" building in Dhaka. The architecture features a blend of white and reddish-brown tones, with prominent arched windows and a grand entrance, giving it a classic yet robust appearance. The building is surrounded by lush green landscaping and trees, with a reflective body of water in the foreground, creating a picturesque and serene setting.

INTERIOR

Flat Interior Design

Client: Mrs Deepa's Flat
Flat Size: 3000 sft Project | **Duration:** 3 Months

This Project showcases a luxurious and contemporary flat interior designed by Amara Interior. The open-plan space features a sophisticated dining area with elegant purple chairs and a rectangular table under a modern chandelier. Rich wood accents, marble-patterned walls with integrated lighting, and abstract art pieces contribute to a refined ambiance, while mirrored partitions subtly define the living areas.

Office Interior Design

Client: Abbus Uddin Bitu, Managing Director

Company: Swiss Group

This project displays a modern and inviting office interior designed for Swiss Group by Amara Interior. The open-plan workspace features sleek white desks with partitions, complemented by warm lighting from striking orange pendant lamps. The design incorporates a dark ceiling, light wood shelving with greenery, and a distinctive patterned accent wall, creating a dynamic yet functional environment.

AMARA INTERIOR

Flat Interior Design

Client: Dr Shawon Sarkar's Flat

Flat Size: 2000 sft Project | Duration: 3 Months

This project showcases a modern and sophisticated kitchen interior from Dr. Shoon Sarkar's flat. The design features a blend of light beige and dark wood cabinetry, a striking white marble-patterned backsplash, and sleek black countertops. Integrated lighting under the upper cabinets illuminates the workspace, highlighting the functional and stylish elements, including a contemporary sink and stovetop.

Flat Interior Design

Client: Mr Asif's Flat

Flat Size: 2200 sft Project | **Duration:** 3 months

A modern and elegant open-plan flat interior for Mr. Asif's 2200 sqft project. The space seamlessly blends a dining area with stylish upholstered chairs and a contemporary kitchen featuring light-toned cabinetry, dark framed glass display units, and a marble-patterned backsplash. A breakfast bar with stools and warm ceiling lighting, including a sleek fan, complete the sophisticated design.

Flat Interior Design

Client: Mr Biddut's Flat at Uttara
Flat Size: 1800 sft Project | **Duration:** 2 Months

A modern and minimalist living room interior for Mr. Biddut's flat. The space features a grey sectional sofa, a round coffee table, and a striking accent wall with a geometric pattern defined by thin copper-toned lines. The room is brightened by recessed ceiling lights and a unique fan with a light fixture, complemented by natural light from a large window. A doorway with drapes leads to another area, maintaining a clean and cohesive design.

Flat Interior Design

Client: Mr Tanvir Flat at Noakhali

Flat Size: 2200 sft Project | Duration: 4 months

A sleek and modern kitchen area within Mr. Asif's flat. The design features a dark countertop with two stools, illuminated by striking black pendant lights. A built-in wine rack and shelving with fresh fruit add both functionality and a touch of sophistication. The space utilizes white cabinetry, recessed lighting, and a minimalist aesthetic to create a contemporary and inviting atmosphere.

Hospital Interior Design

Client: Dr Arefin's Dental Hospital
Majidee, Noakhali
Flat Size: 3600 sft Project | **Duration:** 3 Months

A modern and clean interior design for Dr. Arefin's Dental Hospital in Majidee, Noakhali. The reception area features a welcoming desk with a distinct green and white striped pattern, set against a backdrop of elegant marble-patterned walls. A waiting area with contemporary seating, clearly marked restrooms define the functional spaces, all illuminated by bright recessed lighting.

Flat Interior Design

Client: Mr Biddut's Flat at Basabo

Flat Size: 2800 sft | **Project Duration:** 3 months

A luxurious and contemporary living room interior for Mr. Biddut's flat in Basabo. The centerpiece is a large wall-mounted television set against a stunning marble-patterned accent wall with elegant gold vertical inlays. A modern chandelier hangs from the recessed ceiling, illuminating the sleek entertainment unit and comfortable sofa. The design incorporates warm wood tones, creating a sophisticated and inviting atmosphere.

Flat Interior Design

Client: Dr Emon at Jamtala, Chasara, Narayanganj
Flat Size: 2300 sft Project | **Duration:** 3 Months

A highly functional and modern bedroom interior for Dr. Emon's flat at Jamtala, Narayanganj. The design maximizes space with extensive built-in cabinetry and shelving in light beige and dark wood tones. While a glass-front wardrobe provides visible storage for clothing. The room is well-lit with recessed ceiling lights and a stylish hanging fixture, creating a comfortable and organized living space.

Beauty Salon Interior

Client: Mr Ibrahim at Banasree, Rampura, Dhaka-1219
Flat Size: 3500 sft Project | **Duration:** 3 months

A sophisticated and modern interior design for a beauty salon in Banasree, Rampura, Dhaka. The space features elegant displays for jewelry and accessories, highlighted by curved, illuminated shelving. Comfortable teal seating areas, sleek reception counters, and unique ceiling light fixtures in geometric and circular patterns create a luxurious and inviting atmosphere for clients.

AMARA Design & interiors

Flat Interior Design

Client: Mr Chan Chowdhary at Gulshan, Dhaka
Flat Size: 4000 sft Project | **Duration:** 4 Months

A large and luxurious living room interior for Mr. Jubayer's flat in Gulshan O2, Dhaka. The space is anchored by a spacious grey sectional sofa adorned with colorful accent pillows, complemented by stylish round coffee tables with gold accents. A striking feature wall boasts a dynamic geometric pattern with integrated shelving for decor, all illuminated by a contemporary chandelier and track lighting, creating a sophisticated and inviting ambiance.

Flat Interior Design

Client: Mr Sardar at Chasara, Narayanganj
Flat Size: 2500 sft Project | **Duration:** 3 months

A sophisticated and functional interior design for Mr. Sardar's flat in Chasara, Narayanganj. The space features a modern dining area with a round table and dark chairs, illuminated by recessed ceiling lights and a stylish fan. Built-in cabinetry with glass doors, sleek white storage units, and a large, uniquely shaped mirror with integrated lighting contribute to a contemporary and well-organized living environment.

Flat Interior Design

Client: Mr Mustan Mahmud at Wari, Old Dhaka
Flat Size: 2000 sft | **Duration:** 2.5 Months

Modern open-plan interior for Mr. Jubayer's flat in Wari, Old Dhaka. The space features a sophisticated dining area with a marble-top table and upholstered chairs, seamlessly flowing into a contemporary kitchen. The kitchen boasts sleek white cabinetry, a black refrigerator, glass-front upper cabinets, and a stylish marble-patterned backsplash. Overhead, modern lighting fixtures and recessed lighting enhance the bright and elegant ambiance.

Flat Interior Design

Client: Mr Jahangir at Bangla Bazar, Dhaka
Flat Size: 2500 sft Project | **Duration:** 3 months

A sophisticated and well-appointed bedroom interior for Mr. Jahangir's flat in Bangla Bazar, Dhaka. The room features a prominent bed with a stylish headboard, flanked by modern nightstands. A focal point is the accent wall behind the bed, which combines warm wooden vertical panels with lighter sections. On the left, a functional study or work area with blue cabinetry and shelving is integrated, while two sleek ceiling fans and warm cove lighting complete the contemporary design.

Adi
AMARA Design & interiors

Flat Interior Design

Client: Prof. Shohidul Islam at Chapainawabganj
Flat Size: 3600 sft Project | **Duration:** 4 Months

A modern and highly functional bedroom interior for Prof. Shohidul Islam's flat in Chapainawabganj. The space efficiently integrates a study or work area with a laptop and a wall-mounted television, flanked by contemporary built-in shelving units for books and decor. The design features a blend of light and dark cabinetry, recessed ceiling lights, and a framed abstract artwork, creating a clean, organized, and inviting atmosphere.

Flat Interior Design

Client: Mr Thuhin at Rajshahi

Flat Size: 4000 sft Project | Duration: 4 months

A spacious and modern flat interior for Mr. Thuhin in Rajshahi, featuring a sophisticated open-plan dining and common area. The dining space is furnished with a large table and elegant chairs, set on a light-colored tiled floor. Beyond the dining area, the design incorporates a sleek vanity with a circular mirror and a wall adorned with decorative circular mirrors, all highlighted by warm lighting and rich wood accents. The contemporary kitchen area is visible in the background, completing a luxurious and functional living space.

Adi
AMARA Design & Interiors

Flat Interior Design

Client: Royal Place at Rajshahi

Flat Size: 2000 sft Project | Duration: 2.5 Months

Contemporary bedroom interior from a "Royal Place" flat in Rajshahi. The room features a comfortable bed with neutral-toned bedding and a padded headboard. The design incorporates a minimalist aesthetic with light-colored walls, one of which has a subtle textured pattern, and modern built-in wardrobes, some with glass doors to showcase clothing. A dedicated study/work nook with a desk is integrated, and the space is illuminated by sleek track lighting, recessed lights, and a modern ceiling fan. Dark curtains provide a striking contrast and privacy.

Office Interior Design

Client: Dekko Fashions Ltd at Mirpur, Dhaka-1216

Size: 1200 sft Project | **Duration:** 1 months

Office interior design for Dekko Fashions Ltd in Mirpur, Dhaka. The reception and waiting area features a sleek, illuminated counter with the "DEKKO ISHO" logo, and comfortable grey sofas. A prominent living wall with lush greenery is integrated into concrete panels, contrasting beautifully with a textured brick wall. Stylish ceiling fans and creative lighting fixtures enhance the inviting and contemporary atmosphere.
